Dr. Joshua Lederberg,
Department of Genetics,
University of Wisconsin,
Madison 6, Wisconsin.

(U.S.A.)

Dear Dr. Lederberg,

I am in receipt of the reprints of your recent papers which you were so kind to send to me. May I assure you that I have much appreciated your kindness. I have attempted to follow your interesting work, and I congratulate you with the fine results obtained. But, some of your recent publications had until now escaped my attention, and I am very glad to have them as reprints.

Yours sincerely,

A handwritten signature in dark ink, appearing to read 'A.J. Kluyver', with a horizontal line drawn underneath it.
